

## Case declaration for free circulation (import)

The Norwegian ship “MS Stavanger” unloads a cargo of refrigerators in the Amsterdam harbor, at the address Dok 34, 1003 AD. The refrigerators are released for free circulation immediately after unloading.

You work for importer Alfa Koeltechniek BV and are requested to provide a number of details before submitting the import declaration to your customs representative, who will make the declaration for you as a **direct representative**. The declaration is made electronically, but you supply the data on the basis of the boxes on the SAD form. You have the following information:

Country of origin	Mexico (MX)
EORI number importer	NL678905432
Name, address, place of residence (NAW) importer	Alfa Koeltechniek BV
	Edison Street 222
	7825 GS Emmen
Delivery condition	CIF Amsterdam
Invoice value	€ 20,000.00
Your reference number	7825GS8415
Number and type of packages	75 crates
Goods type	Refrigerators for household use
Brands and numbers	MXNL 1 to 75
Container number	VBHI765498
EORI number customs representative	NL876456129
Name, address, place of residence (NAW) customs representative	L&B
	Toll Street 15
	1017 DE Amsterdam

Fill in/complete the “Single Document boxes” of the table on the next page.

Assume that the declaration is made electronically and indicate:

- in the 2nd column whether or not the box must be filled in; and
- in the 3rd column which data you enter or why the box does not need to be filled in.

If a box that may be entered is optional, but the data is known, this must be entered.
