

case lodging a declaration

Complete declaration for free circulation (import)

You work at customs representative Cargomat Forwarders. This customs representative will ask you to make a standard customs declaration for 200 QLED TV sets in order to release them for free circulation. The TVs are in temporary storage in an RTO in Eemshaven. The declaration has to be lodged electronically, but first you “practice” on the basis of a Single Administrative Document. You have the following information:

EORI-number Cargomat:	NL786554321
Name, adress, residence(NAW):	Cargomat Expeditours IJsvogelweg 34 2100 LB Hoofddorp
Goods:	200 QLED TV sets, each packed in a carton with markings NL/0101/001 t/m 200
Country of Origin	Taiwan
Adress STS:	Eemsweg 23, 9933NA Delfzijl
Incoterm:	CIF Eemshaven
Referencenumber:	AP234567BLE
EORI-number importer	NL999876543
Name, adress, residence(NAW):	AMEH Winkelstraat 300 0010 ZZ Amsterdam

Complete the following “Single Administrative Document” boxes on the next page.

Assume that the declaration is made electronically and indicate:

- in the 2nd column whether or not the box must be filled in; and
- in the 3rd column which data you enter or why the box does not need to be filled in.

If a data that may be entered is optional, but the data is known, this must be entered.

Use the explanation ED and the tables provided to you for the details.
